# EC230 Blanket Warming Cabinet

## Specifications:

The single-chambered warming cabinet is constructed with 20 gauge stainless steel exterior casing and doors. Window door allows observation of inventory with the door closed. The cabinet is warmed using a low-heat-density electrothermal cable array mounted against the walls, eliminating the need for a heat circulating fan. The cabinet is equipped with one (1) white, epoxy-coated blanket support assembly. The cabinet is furnished with four (4) 1-1/4" (31mm) non-skid rubber feet.

## Special Information:

- Right-hand door swing is standard. Left-hand door is available as a special order.
- Stacking combinations listed under Options and Accessories. When ordering a combination of units to stack:
  - 1.) Indicate top and bottom placement.
  - 2.) Order one set of stacking hardware.

## Control:

The chamber is controlled by one (1) electronic control which consists of a four digit L.E.D. display, on/off key, heat indicator L.E.D., increase and decrease keys, built-in lock-out feature and a series of prompt sequence indicators. The electronic control can easily be set to operate in Fahrenheit or Celsius and has an adjustable temperature range of 37 - 94°C (98 - 200°F). Timer key allows the user to program the control to automatically turn on and off at a selected time once during a 24 hour period. In the event of a power failure, the cabinet will remember its programming and begin to operate as before when power is restored. A warming shut-off system, separate from the electronic control, prevents overheating.

Capacity and Weights		
Interior Capacity	2.3 cubic feet (c. 0.07m <sup>3</sup> )	
Net Weight	79 lb (36 kg)	
Ship Weight	85 lb (39 kg) est.	
Electrical		
120 V.A.C. 50/60 Hz, 1ph 600 Watts, 5.5 Amps	NEMA 5-15P 15A - 125V Plug Hospital Grade	
230 V.A.C. 50/60 Hz, 1ph 750 Watts, 3.5 Amps	BS 1363 Plug (UK only)	
	CEE 7/7 220-230V Plug	
Options and Accessories		
Cart with casters - Height 41-1/2" (1054mm) EC230L and EC230 units fit on top of cart and in lower alcove	Contact factory	
Casters*, 3" (76mm)	14227	
Casters*, 5" (127mm)	4007	
Leg Kit, 6" (152mm)	5205	
Stacking Hardware		
EC230 over EC230	5007142	
EC230 over EC230ℓ	5009284	
Window Door Assembly, Left Hand	504163	
*Platform (E5089) must be ordered as a base when ordering casters or legs for this unit.
