gentleheel®

Heel Prick Incisor

Features & Benefits of Gentleheel®:

- **Tri-bevel blade** which generates a smoother, sharper & **less traumatic incision**.
- **Multiple visual indicators** which reinforce the incision site.
- **Welded plastic case** to prevent accidental exposure to the blade.
- **Ergonomic design** for improved handling.
- **Permanent blade retraction** which minimises possible injury or re-use.
- **Unique cutting action** provides more consistent incision.
- **Hardened stainless steel blade** improves the accuracy of the incision depth.
- **Colour coded** for easy selection.
